Look into His eyes
His Love is drawing you
Look into His eyes
Hear Him calling you

Jesus, We look into your eyes and worship You
Jesus, We look into your eyes and worship You

Look into His face
The glory of His grace
Look in to His face
His mercy we embrace

Jesus, We look into your face and worship You
Jesus, We look into your face and worship You

Call upon His Name
The wonders of His Name
Call upon His Name
The power of His Name

Jesus, We call upon Your name and worship You
Jesus, We call upon Your name and worship You

Glory, As we look into your holy face
Wonders, As the glory in your eyes we embrace
