

Heaven Yes, Hell No

©2014 Angel Records and Publishing

The way is wide, that leads to destruction
The path to life, narrow is the way
You choose your life, It's your decision
But all along, Jesus is the way

Heaven Yes, Hell No (4X)

If you love me, you'll keep my commandments
Abide in me, and bear much fruit
You lose your life, You'll find you gain it
So follow me, and know the truth

Jesus is calling, calling you (4X)

Jesus Yes, Hell No (4X)
