

There Is A Way

(words by Joe and Angel)

Kickin' back, Are you on easy street?
Don't want to turn
Things they are, looking up for you
Don't think, You'll burn

There is a way that seems right to a man
But in the end leads to death (2X)

Wrapped up, In the world you see
Live for today and not tomorrow
Success, You've got all you need
You'll make it all, On your own

Your world, Will come crashing down
One day maybe tomorrow
Then what, Are you going to do?
Think back on all your sorrow

There is a way that seems right to a man
But in the end leads to death
And I know a way that is right for a man
And in the end leads to life
